No.	Title	Code
	IEEE IV 2025 Accepted Workshop List	
1	14th Workshop and Industry Panel on Cooperative Automated Driving and Future Mobility Systems	IndustryCooperativeAD
2	14th Workshop on Human Factors in Intelligent Vehicles and Supporting Vehicle-Pedestrian Interactions	HumanFactors_VehiclePedestrian
3	1st Workshop on Safe and Trustworthy Autonomous Driving (TRUST-AD)	TRUST-AD
4	Advancing Automated Driving in Highly Interactive Scenarios through Behavior Prediction, Trustworthy AI, and Remote Operations	BehPred_TrustAI_RemOp
5	*8th Workshop on Ensuring and Validating Safety for Automated Vehicles (EVSAV) *Joint Workshop on Safety Metrics and Benchmarks for Autonomous Driving	EVSAV_MetricsAD
6	Navigating Uncertainty: High-Integrity Localization, Mapping, and Perception for Autonomous Driving	NavigatingUncertainty
7	SPADE - Secure, Privacy-Aware Naturalistic Driving Data for Future Mobility: Insights from Structured and Unstructured Environments	SPADE
8	Data-Driven Learning for Intelligent Vehicle Applications: Foundation Models, Multimodal Fusion, and Cooperative Systems	DataDrivenLearningIV
9	2nd Workshop on Secure connected vehicles: digital twin, UAVs, and smart transportation	SecureConnectedVehicles
10	Autoware – ROS-based OSS for Autonomous Driving	Autoware
